RE: Sunshine Law Request

Dear Mr. Andy Bakker,

The Missouri Department of Revenue received your Sunshine Law open records request, seeking historical information regarding Quentin Wilson. We have looked into your request diligently and reached out to multiple areas within the Department to see if we have anything we could provide responsive to your request; and unfortunately, have found no records dating back to the time period requested, or regarding Quentin Wilson responsive to your request.

Sincerely,

A handwritten signature in black ink, appearing to read "Reilly Beeman".
